WHAT IS LIST GENERATION

Using our expert team of casting agents within 55+ countries and our internal analysis tool,

CROWD. will generate a specifically targeted (ex. geo, gender, age, style, brand affinity, niche market, etc.) list of influencers,

a minimum of 100, based on your company's goals and aesthetic with social media profiles, stats and contact information.

This is an ideal composition for a brand looking to personally gift talent, promote an event, and/or media buying.

REACH YOUR CROWD.

A person wearing a white long-sleeved button-down shirt and light blue jeans is shown from the waist down. They are holding the hand of another person whose arm is extended from the right. The background is a light blue and white geometric design.

A man with six arms is shown from behind, standing on a cliff overlooking a tropical coastline. The background features a clear blue sky, a turquoise ocean, and a small island with a white lighthouse. The man's arms are raised in various directions, some holding small objects. The word "CROWD." is overlaid in large white letters on the left side of the image.
